PREP: 25 min | BAKE: 20 min at 375°F | MAKES: 10 servings

Ingredients

1 (16-ounce) loaf frozen whole wheat bread dough, thawed
1 cup halved zucchini slices and/or green or red sweet pepper pieces
1 cup sliced fresh mushrooms
¼ teaspoon crushed red pepper (optional)
1 tablespoon vegetable oil
8 eggs
½ cup milk
1 tablespoon butter or margarine
1½ cups shredded cheddar and/or mozzarella cheese (6 ounces)
2 slices bacon, crisp-cooked, drained, and crumbled
Bottled salsa (optional)

Instructions

Grease a 13-inch pizza pan; set aside. Preheat oven to 375°F. On a lightly floured surface roll bread dough into a 14-inch circle. Transfer dough to prepared pan. Build up edges slightly. Prick dough generously with a fork. Bake for 15 to 20 minutes or until light brown.

Meanwhile, in a large skillet cook zucchini, mushrooms, and, if desired, crushed red pepper in hot oil about 5 minutes or until vegetables are almost tender. Remove zucchini mixture and drain.

In a medium bowl beat together eggs and milk. In the same skillet melt butter over medium heat; pour in egg mixture. Cook, without stirring, until mixture begins to set on the bottom and around edges. Using a large spatula, lift and fold partially cooked eggs so uncooked portion flows underneath. Continue cooking over medium heat for 2 to 3 minutes or until egg mixture is cooked through but is still glossy and moist. Remove from heat.

Sprinkle half of the shredded cheese over the hot crust. Top with scrambled eggs, zucchini mixture, bacon, and remaining cheese. Bake for 5 to 8 minutes more or until cheese melts. Cut into 10 slices. If desired, serve with salsa.

Vegetarian Lasagna

The Ultimate Slow Cooker Cookbook, p. 238

PREP: 20 min | COOK: 4 hours on Low | SERVES 8 | Vegetarian

Ingredients

8 cups Basic Marinara Sauce (or store-bought)

2 yellow onions, finely chopped

5 garlic cloves, minced

1 tablespoon coarsely ground fennel seed

Pinch red pepper flakes

1 tablespoon extra-virgin olive oil

16 ounces no-boil lasagna noodles

16 ounces cottage cheese

4 cups shredded mozzarella cheese, divided

1 cup grated Parmesan cheese

2 large eggs

2 cups roughly chopped fresh basil, divided

Instructions

In a bowl, mix together the marinara sauce, onions, garlic, fennel seed, red pepper flakes, and oil. Ladle about ½ cup of the mixture into a 5-quart slow cooker (enough to thoroughly coat the bottom of the insert).

Arrange a layer of lasagna noodles in the slow cooker. Ladle additional sauce over the noodles.

In a large bowl mix the cottage cheese, 3½ cups of mozzarella cheese, the Parmesan cheese, and the eggs. Layer about half of the cheese mixture on top of the noodles. Top with 1 cup of basil.

Repeat with a layer of noodles, marinara sauce, the remainder of the cheese mixture, and the remaining 1 cup of basil.

Finish with the remaining pasta, marinara sauce, and the remaining ½ cup of mozzarella cheese.

Cover and cook on low for 4 hours, or until the noodles are tender and the lasagna is bubbling around the edges.

Uncover and let rest for at least 15 minutes before serving.

INGREDIENT TIP: In place of the cooked lasagna noodles, substitute no-boil noodles. That will save you about 10 minutes of preparation time. The slow cooker cooking time is the same. Just test the noodles with a fork before you serve the lasagna to make sure they are tender.

DESSERT & COCKTAIL OF THE WEEK Dessert: Molten Chocolate Cakes

Better Homes and Gardens New Cook Book, 16th Edition, p. 279

PREP: 30 min | COOL: 15 min | CHILL: 2 hours | BAKE: 15 min at 375°F | STAND: 10 min | MAKES: 8 cakes

Ingredients

1¼ cups semisweet chocolate pieces

½ cup whipping cream

1 tablespoon butter

¾ cup semisweet chocolate pieces

½ cup butter, cut up

4 eggs

½ cup sugar

½ cup all-purpose flour

Unsweetened cocoa powder (optional)

Fresh raspberries

Instructions

Generously butter eight 6-ounce ramekins or custard cups. For filling, in a small saucepan combine the 1¼ cups chocolate pieces, whipping cream, and the 1 tablespoon butter. Cook and stir over low heat until chocolate melts and mixture is smooth. Remove from heat. Cool for 15 minutes, stirring occasionally. Cover and chill about 2 hours or until it reaches a fudge like consistency.

Preheat oven to 375°F. In a saucepan combine ¾ cup chocolate pieces and ½ cup butter. Cook and stir over low heat until chocolate melts; cool slightly.

In a large mixing bowl beat eggs and sugar with an electric mixer on medium to high speed for 5 minutes. Beat in flour and cooled chocolate mixture. Spoon enough batter into each ramekin to measure 1 inch in depth.

Form chilled filling into eight portions. Working quickly, use your hands to roll each portion into a ball. Place a ball of filling on top of the batter in each ramekin; do not allow the filling to touch the sides of the ramekins. Gently spoon remaining batter over filling to cover.

Bake for 15 minutes. Remove from oven; let stand for 10 minutes. Using a knife, loosen cakes from sides of ramekins. If desired, dust with unsweetened cocoa powder. If desired, invert onto dessert plates. Serve immediately with fresh raspberries.
